

OUR NICHE

- We practice the “Mansfield Way” – blending insider perspectives with “blue sky” thinking inspired by our Montana roots.
- We draw on our contacts to advance common interests across the Pacific.
- Through the Mansfield Fellowship Program, we train federal employees to maximize the global impact of the US-Japan partnership.
- We build lasting networks of problem-solvers.
- We possess deep, bipartisan connections, allowing the Foundation to deliver its work product into the hands of those who can make a difference.

OUR VALUES

- Humility (Mansfield Served the Coffee)
- Community (Inclusive and Diverse)
- Empathy (Listening with both ears and the heart)
- Trust
- Respect (Don't Impugn Motives)
- Collaboration (Seek Common Ground)
