

ASEAN's Logistics amid Turbulent Times

Remarks from the organizer

Panelist

Dr. Punya CHUPANIT

Director-General,
Office of Transport and Traffic Policy Planning,
Ministry of Transport, Thailand

Dr. Punya was appointed as the Director to Bureau of International Highways Cooperation, Department of Highways, Ministry of Transport of Thailand from 2018 to 2020. Afterwards, he served as the Deputy-Director of Office of Transport and Traffic Policy Planning (OTP), Ministry of Transport of Thailand from 2020 to 2021. Then, from 2021 to the present day, as the Director-General of OTP, he is responsible for formulating as well as negotiating MOT-related transport and traffic policies and plans. His works also involve many mega development projects in Thailand, such as Mass Rapid Transit (MRT) master plan projects, Double-track Rail projects, and consideration about modal shift transportation.
