

ASEAN's Logistics amid Turbulent Times

Remarks from the organizer

Panelist

Dr. Ruth BANOMYONG

Professor and Dean,
Department of International Business,
Logistics and Transport,
Business School,
Thammasat University

He received his Ph.D. in the field of International Logistics under the Logistics & Operations Management Section (LOMS) at Cardiff Business School (UK) in 2001. Since then, he has published over 100 papers and reports in scientific journals, and has been awarded by many institutions in the logistics field. As a recent example, the National Research Council of Thailand (NCRT) awarded him with the National Outstanding Researcher Award in the field of Economics for 2022. His main research interests are in the field of multimodal transport, international logistics, trade facilitation, logistics development policy, supply chain performance and humanitarian supply chains. Besides academic field, Dr. Ruth is also renowned for being a consultant for various international agencies since 1995. For instance, the United Nations Conference on Trade & Development (UNCTAD), The World Bank, The Association of Southeast Asian Nations (ASEAN), etc.
